# CREATE YOUR OWN PROFILE IN THE APP

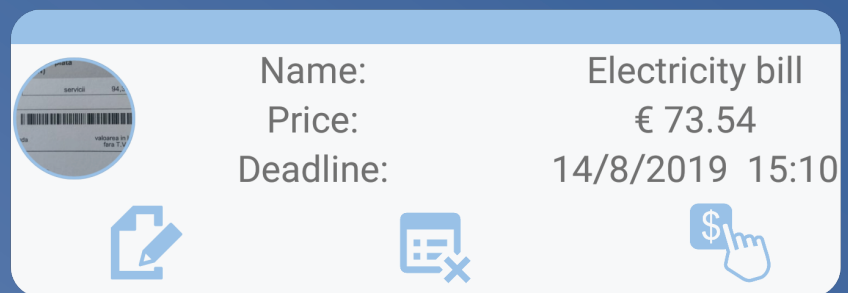

A screenshot of the user profile creation form. It features a profile picture of a man with a beard. Below the picture are two input fields for 'Victor' and 'Zarzu'. There are dropdown menus for 'Gender' (set to Male), 'Income day' (set to 9), and 'Currency' (set to EUR). An 'Income amount' field is set to 3650 with a Euro symbol. A 'Save' button with a floppy disk icon is at the bottom.

In the process of creating a profile, the user will be able to set his first and last name, gender, income day, currency and income amount. The data about the funds will be helpful in the "Track your funds" area

## KEEP THE BILLS IN THE APP

With a feature for saving the bills, Pay Assistant provided a great user experience and ease of use. In case you want to discard physical bills, this will allow you to store the images on your phone, along with the barcode. The images can be seen in the bills area  
UPCOMING UPDATE: Scan the barcode!

A screenshot of an electricity bill card. It includes a circular image of a bill with a barcode. To the right, the details are: Name: Electricity bill, Price: € 73.54, and Deadline: 14/8/2019 15:10. Below the image is a blue icon of a document with a pencil. Below the price is a blue icon of a document with an 'x'. Below the deadline is a blue icon of a dollar sign with a hand pointing at it.

## TAKE CARE OF YOUR MONEY

€ 3491.04

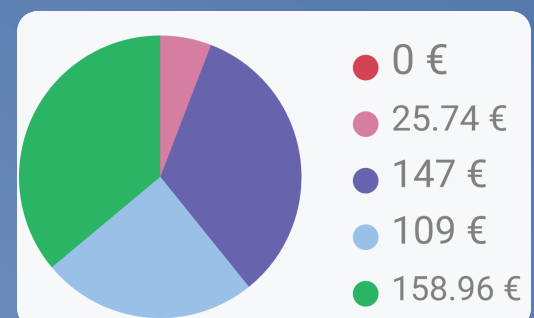

Enter amount

The application adds your salary in the selected income day in the profile page. If you received some extra money ( such as a bonus ), you can include it through the "enter amount" section

## TRACK YOUR BILLS CONSIDERING THEIR TAGS

In the interest of the user, Pay Assistant offers the advantage of seeing the sums of the bills which need to be paid or which are already paid. The pie chart's legend helps you figure out what to focus on based on tags ( for example deadline urgency )
